## READY FOR THE FUTURE OF GOLF

It's no secret that golf is changing. And while traditions will always matter, you need new tools to grow your business and attract today's players to your course.

Club Car has the industry-leading products, revenue-building strategies, and forward-thinking technology to help you create stronger relationships with your golfers and more efficiently manage your course.

It starts with the Tempo lineup: our uniquely designed golf cars deliver quality engineering, automotive styling, and connected technology for an enhanced ride golfers won't get anywhere else.

For mobile course and fleet management, Club Car Connect offers web-based car tracking, car control, pace-of-play alerts, and more. Coupled with Shark Experience—a one-of-a-kind touchscreen entertainment system within new electric Tempos—our connectivity package is a course differentiator that will drive your success now and in the future.

ADVANCE THE RIDE AND YOUR REPUTATION

With the Club Car Tempo™ and Tempo™ 4Fun

Made for modern golfers

The award-winning Tempo continues to exceed industry expectations, delivering a smooth, comfortable ride and connected touchscreen technology no other golf car can match. With a distinctive design and golfer-first features, it's available in 2- or 4-passenger models, with a standard electric engine or an energy-saving Lithium Ion battery—and can be endlessly customized to suit your course's needs.

SAVE 50% IN ELECTRICITY COSTS

With the Club Car Tempo™ Lithium Ion

The Lithium Ion Difference

High-performing and packed with the latest technology, our Lithium Ion golf cars save time, increase car reliability, and conserve energy to improve the overall performance of operations. When it's time to power up, the fast charging times and ability to hold a charge across multiple rounds keep Lithium Ion-powered cars on the course and out of the barn.

## A New Way To Play

Tempo Walk is an autonomous caddie that gives golfers a new way to experience the game on your course. It won't replace your existing caddie and car programs—it supplements them as an “anytime caddie.”

Once golfers try Tempo Walk, you'll see a renewed excitement along the fairway. Now your guests can focus on smooth shots, see improved rounds, and relax while outdoors.

## NEW REVENUE STREAM

*Tempo Walk is a rewarding way to build new relationships with golfers, generate excitement, and maintain pace of play.*

### Communicate

Free up staff by sending weather alerts, tournament details, and clubhouse specials directly to cars.

### Improve

Track cars in real-time and send alerts to maintain pace of play, then use car data to design course changes that benefit both golfers and staff.

### Preserve

Keep the course pristine by automatically slowing cars that come too close to pre-set restricted zones.

### Support

Count on industry-leading customer service professionals to help you optimize course operations and troubleshoot your system.

## SHARK EXPERIENCE

presented by **verizon**

## ENHANCE THE EXPERIENCE. EXPAND THE GAME.

Shark Experience, the premier in-car course entertainment and communication system, is changing the game for those on the green and their companions. Through touchscreen technology, it engages golfers in a modern, fun, and social way that they'll talk about long after the last putt has dropped. **New for 2021**, all new user experience with updated content to change the game for your golfers.

### DYNAMIC GPS YARDAGE

- Golfer Experience delivers hole overviews and touch for distance yardage (pins, hazards and points of interest)
- Show/Hide Drive Distance & Approach View
- Maximize Hole View Button

### MUSIC/SPORTS

## RELIABILITY DOESN'T GET A DAY OFF.

*The multi-tasking Carryall with superb maneuverability.*

### The superintendent's turf vehicle

Designed with input from 400 superintendents, the Carryall 502 has the features you need most, like a high-visibility dash and low ground clearance.

### The only rust-proof frame in the industry

Constructed to resist rust and corrosion in salty, humid environments, our aluminum frame is 3x stronger than comparable steel models.

### Tighter handling, lower clearance

Optional Small Wheel Turf Package (available on 300, 500 and 700 models) features 18" wheels, allowing a smaller turn radius and more comfortable ride.

### Electric or gas powertrain

Choose the engine that's best for your course: our 8-volt lead acid battery with E.R.I.C. high frequency charger or our powerful gas engine.

### Multiple models, increasing payloads

With five Carryalls ranging from 800 to 1500 lbs. of capacity, you can choose the power, bed size and integrated accessories needed for your operations.

## ON-THE-GO REFRESHMENTS. INSTANT REVENUE.

*The Café Express delivers the goods.*

With display space that's been carefully designed and engineered to drive impulse buys, the Café Express mobile merchandising vehicle will help you recognize more revenue and higher profits. Stainless steel exteriors offer enhanced durability and a presentable finish.

### Display to win

Flexible shelving shows off snacks while insulated compartments keep more drinks cold. (It holds up to 256 cans!)

### Put it on ice

The redesigned Café Express has 120% greater consumable ice capacity (which means fewer trips back to the clubhouse).

### Save on fuel

Its super-efficient, 14-hp rated EFI engine consumes 50% less fuel than similar models.

### Free staff training

Club Car offers a free training module with a certification exam to anyone who will operate this vehicle. It's a great way to increase customer service and protect your staff, your golfers, and your investment.

## NO MORE BITS AND PIECES. ONE PACKAGE DOES IT ALL.

*Care for your course with the complete Range Picker Package.*

You no longer have to "build your own" vehicle, because the new Club Car Range Picker Package for Carryall 300 and 500 gasoline models has everything you need.

### Available features:

- Automated limited slip differential
- Extra traction tires for wet, slippery or rough terrain
- Range cab
- Push frame
- Front picker adapter
